## *Making a Difference Close to Home*

### ABOUT THE SAANICH LEGACY FOUNDATION

In Saanich, there are many grassroots groups of caring individuals that need financial assistance to keep our community vital and responsive. Founded in 1999, and led by a volunteer Board of Directors, the Saanich Legacy Foundation recognizes these grassroots efforts and supports community-based projects that contribute to the quality of life for Saanich residents.

We accomplish this with donations from civic-minded citizens who want to ensure that Saanich is a strong, caring and vibrant community to be enjoyed by all. By designating donations to an area of special interest or giving to wherever the need is greatest, donors to the Saanich Legacy Foundation are making a difference close to home. Donations can also be placed in our endowment, allowing them to benefit Saanich in perpetuity.

# Creating a Healthy Community

There are many passionate people and extraordinary organizations in Saanich. They create the programs to care for our people and places. The Saanich Legacy Foundation funds a wide range of programs because we recognize that it takes many types of people, organizations and projects to create a healthy community.

As a donor, you can choose to designate your gift to a specific Fund or to an area of interest. Gifts can also be made without designation, allowing them to be put to the area of greatest need.

## *Making Your Gift*

Each and every donation to the Saanich Legacy Foundation helps create a stronger, more vibrant and caring community. Your gift is an investment in the people, programs and places that make Saanich the special community it is. Please consider what a difference you can make today. For example:

**\$25** can help an isolated senior citizen participate in a community program

**\$50** can sponsor a child in a one-week summer playground program

**\$100** can sponsor a safe and supportive program for youth

**\$500** can bring dozens of families together to experience joy and laughter at a holiday event

**\$1,000** can rehabilitate Garry oak meadows or add interpretive signs to parks.
